## Exning Road Club Remembers

### VE DAY 70<sup>TH</sup> ANNIVERSARY

Friday 8<sup>th</sup> May 2015 is the Anniversary of VE Day (Victory in Europe Day) marking 70 years since the end of the Second World War.

"Winston Churchill made a broadcast to the Nation and in his wonderful and dramatic way told everyone the war was over."

All across the nation people turned on their wireless to find out more. People were out in the streets hanging bunting, banners and

dancing. Most streets held a street party, with wooden tables set out in the street and all the neighbours gave what food they could. Children dressed in their best for the party.

Exning Road Club held celebrations for the men returning home and their families. They held a party for the children and a Concert in the evening.

In Winston Churchill's speech he paid tribute to the men and woman who had laid down their lives for victory as well as those who had "fought valiantly" on land, sea and in the air.

There will be a two minutes silence on Friday 8<sup>th</sup> May at 15:00 BST, the moment Prime Minister Winston Churchill broadcast his speech to formally announce victory over Germany.

Thank you very much members for your continued support, keep it up and continue to tell your friends about the club, bring them along for a visit.

I would just like to take this opportunity to welcome all our new members for April to the Club.

Welcome packs will soon be available for new members, to give them all the information about the club, what's on in the evening's, entertainment at the weekends, sports, offers and promotions etc.
